Merry Christmas and Happy New Year to you all! I sincerely hope that you all have a wonderful holiday season and I hope that the Christmas music program helped to put everyone in the Christmas spirit. Sometimes it is so easy to get bogged down with the worldly trappings of Christmas that we forget to stop and take time to reflect on the real reason that we are celebrating this holiday. I love singing the Christmas carols that tell in such beautiful

words of the anticipation and the joy surrounding the birth of our Lord. "It came upon the midnight clear, that glorious song of old, From angels bending near the earth to touch their harps of gold; "Peace on the earth, goodwill to men, from heaven's all gracious King": The world in solemn stillness lay to hear the angels sing." Let's all take some time this Christmas season to sit in "solemn stillness" and listen for the angels in our hearts.

I'd like to take a second to thank every person who was involved in the Christmas music program; all the choir members, the soloists, the musicians, the sound technicians, the narrators, Pastor Don – everyone put a lot of effort in this gift to the church body and I want you all to know how much you are appreciated! And now it's time to start working on our Easter program. More news on this will be coming soon. It's going to be great!

Again, Merry Christmas and Happy New Year to you all!

With a song in my heart,
Beth
