## Thank You So Much!

Dear Church Family,

I love this church so much! Thank you very much for your help during my bout with ovarian cancer. I felt covered by your steadfast and faithful prayers, enveloping me in God's love, protection and peace. Words cannot convey my gratitude.

I appreciate your words of encouragement, cards, hugs, and home repairs. It was so thoughtful of you to take time away from your busy schedules to visit me at home and in the hospital and provide me with meals. Coming home from the hospital, I was very vulnerable, relying on your kindnesses until I could fend for myself.

The surgery has removed 99% of the tumor, and I will resume chemo treatments next week to wipe out the rest of the cancer. Please continue to lift me up in prayer to the Lord. God is good all the time, and all the time, God is good!

Love, Joyce Turkelson
